Fighting For What Matters Most!

Watching Your Tax Dollars...

You have a right to know how your tax dollars are spent. Maine Township's budgeting and spending policies should be placed on the township's website so taxpayers can monitor exactly what they're paying for.

Ending Pay-to-Play Politics...

Awarding taxpayer-funded contracts to political cronies in exchange for campaign cash leads only to waste and corruption.

We will **NOT** accept contributions from any company or individual doing business with the township – period!

Cutting Wasteful Spending...

We all have to live on a budget – especially in these hard economic times. Government should too.

Our team will work to hold the line on spending and find creative ways to raise dollars to provide and improve services without raising taxes.
